English Words from German

Many English words originally came from German.

Compound words:
concertmaster       hinterland

Words having to do with food:
pumpernickel       frankfurter       hamburger

Words from relatively recent times in history,
such as World War II:
flak       blitz

Words borrowed in their entirety from German, spelled
and sometimes pronounced the same as in German:
angst       gesundheit       kaput
