Word Search

Parent Directions: Have your child read the following sentences and then write the word from the sentence that has either a VCCV or VCV pattern on the blank line. Have your child circle the syllable pattern for the words they write.

1. Mom took me to the dentist last week.

    ___________________________ VCCV VCV

2. I had trouble sleeping because I had a bad cold and a high fever.

    ___________________________ VCCV VCV

3. We put the insect that we found in a glass jar.

    ___________________________ VCCV VCV

4. Did you hear the fire truck when it went by with the siren on?

    ___________________________ VCCV VCV

5. My sister helps me with my math.

    ___________________________ VCCV VCV

6. It was my duty to take the trash out each night.

    ___________________________ VCCV VCV

7. When my aunt likes things, she says they are splendid.

    ___________________________ VCCV VCV
