Which Syllable is Accented?

**Parent Directions:** Have your child read each word and then look at the two choices for where he or she hears the accented syllable. The accented syllable is in bold print. Have your child circle the word that shows the accent in the correct syllable. Then have your child write a sentence using each word.

1. ny/lon  ny/lon

2. di/al  di/al

3. sup/ply  sup/ply

4. re/vise  re/vise

5. spi/der  spi/der

6. ar/rive  ar/rive
