Word Hunt

Directions: Read the paragraph below and find words with long o patterns. On the lines below, write all of the words with long o patterns that you find. Then circle the long o patterns and underline the accented syllables.

I was trying to locate my notebook with the pony on the cover. I wasn’t very hopeful that I would find it. There was an ad of a mower that I had cut out to show Mom as an idea for Dad’s birthday. There was also a sketch I did of our trip to the ocean. I sure hope that it wasn’t stolen.
