Consonant Plus -le Pattern

The final C + -le syllable is always unaccented. The accent is always on the first syllable.

**Consonant + -le with Open Syllables (VCle)**
- cradle: cra/dle
- title: ti/tle
- eagle: ea/gle

**Consonant + -le with Closed Syllables (VCCle)**
- gentle: gen/tle
- jungle: jun/gle
- mumble: mum/ble

**Consonant + -le with Closed Syllables (VCCle—Double)**
- bubble: bub/ble
- shuffle: shuf/fle
- drizzle: driz/zle

**Oddballs—words with consonant digraphs do not split the digraph.**
- crackle: crack/le
- tickle: tick/le
