Agents

1. Agents are people who do things.

2. Agents are formed from verbs by adding -er, -or, -ar.

3. Adding -er, -or, and -ar changes the verbs to nouns.
   
   dreamer     survivor     beggar

4. Sometimes the spelling changes when endings are added to base words
   
   Double the consonant ———> jog + g + er = jogger
   Drop the e ———> write - e + er = writer
