Word Equations

**Parent Directions:** Have your child solve each word equation and then write a sentence using the -ing word. Remind your child to think about the rules for adding -ing as he or she solves the following equations.

1. make + ing = __________
   
   ________________________________________________________________________

2. wait + ing = __________
   
   ________________________________________________________________________

3. have + ing = __________
   
   ________________________________________________________________________

4. live + ing = __________
   
   ________________________________________________________________________

5. cheer + ing = __________
   
   ________________________________________________________________________

6. arrive + ing = __________
   
   ________________________________________________________________________
